In accordance with the provisions of 950 CMR §54.02, the Town Clerk will conduct a test of the Town's Automark & Imagecast computer balloting program beginning on Thursday, March 12, 2026 at 9:00 AM and continuing until the task is completed in the Town Offices Building. The testing is open to the public.

The test shall incorporate a "test deck" of optical scanner ballots for the April 7, 2026 Local Election, marked in such a way as to adequately test the computer program; demonstrate rejection of over voted ballots; and test any other contents of the program which may have a bearing upon the accuracy of the count.
