Fall Annual Town Meeting Options

Virtual				High School Gym				Performing Arts Center (987 seats)			
Pros	**Cons**	**Comments**		**Pros**	**Cons**	**Comments**		**Pros**	**Cons**	**Comments**	
Greatest likelihood to prevent Covid-19 spread	Training Reps- dozens of trainings needed and a mock meeting would be necessary.			Social distancing ability				Video & sound systems	Social distancing ability		
Voting system has Request to speak functionality	"Helpdesk" additional personal needed			Sound improvements		Unlikely that fans will be needed which improves ability to hear. Tele Media is working on additional sound enhancements.		HVAC system	Lack of space for board		
	Electronic devices needed for some reps			Space for boards		Space set up for Boards in front of the podium		Electronic Voting	Lack of space for presenters		
	Technical challenges and capabilities of some reps			Space for presenters		This was acceptable for the Spring Town Meeting			Lack of space for organizers		
	Multiple browsers are needed to be used by the reps for meeting and voting. One for the Zoom system and one for voting.			Space for meeting organizers		This was acceptable for the Spring Town Meeting					
	Additional costs to town			Electronic voting							
	Voting Vender recommends in person voting.										
	More technical setup required										
	Virtual Voting Not Secure										
	Longer Meeting likely										
	Difficult for public to input
