March 24, 2026

Dear Select Board,

This letter is regarding the proposed project, known as Chelmsford Arms Residences, consisting of a total of 96 rental units located at 1 Smith Street in Chelmsford, MA.

If this "Project" does not connect to Town Sewer, then an Onsite Septic System must meet Title 5 Regulations pursuant to 310 CMR 15.00 Septic Systems, along with completing the Health Department's Disposal System Construction Permit application and inspection process.

If this proposed project is approved and plans to have a dumpster on site it must meet Town of Chelmsford General Provisions, Chapter 201 Board of Health Article V Commercial Refuse/Dumpster* Collection Licensing & Operation Regulation.

Respectfully,

Donna Greenwood
Public Health Director
Chelmsford Board of Health
