Subject: House of Representatives' Earmark Funding for Chelmsford Center Traffic Signalization Design Improvements

Select Board Members,

Yesterday, the Massachusetts House of Representatives passed a supplemental budget bill that included **“\$25,000 shall be expended to the town of Chelmsford for design improvements to Chelmsford center traffic signalization.”**

The earmark was supported by State Representatives James Arciero, Simon Cataldo, and Rodney Elliot. This was one of the funding items on your list of earmark requests to the Town’s State Representatives.

The supplemental budget will now be considered by the State Senate. I expect that this earmark will remain in the final bill that will be signed into law by Governor Maura Healey.

Sincerely,

Paul E. Cohen
