Storage of Flammables, Combustibles or Explosives Licensing Process

The Chelmsford Select Board, as the Local Licensing Authority, issues Storage Licenses for Flammables, Combustibles, and Explosives in accordance with M.G.L. Chapter 148, Section 13. Applications must be endorsed by the Chief of the Chelmsford Fire Department, and a Public Hearing must be held no sooner than seven days after advertisement in a local newspaper and abutter notification.

Applicants must complete the following steps:

- Submit completed Application for License form FP-002A (enclosed) ** Applicant should confer with the Fire Prevention Department at (978) 251-4288 when completing the application, and obtain the endorsement of the Fire Chief prior to submission to Select Board
- Submit a plot plan indicating the location of property lines and all buildings or structures
- Provide application contact information (name, address, phone, & e-mail)
- Provide billing information for newspaper ad (name, address, phone, & email)

Upon completion of the above steps, **a Public Hearing before the Select Board will be scheduled.**

- A Notice of the Public Hearing will be placed by this office in the local newspaper to be published at least seven days prior to the hearing (Applicant must pay for the ad)
- Send a copy of the Public Hearing notice at least seven days prior to the hearing via certified US Mail to owners of all real estate abutting on the land to be licensed or directly opposite said land on any public or private street (list of abutters will be provided)
- Attend hearing before the Select Board and present white mail receipts and green return receipt cards from abutter notifications
- Pay License Fee of \$100

Once a license is granted by the Select Board, it is recorded in the office of the Town Clerk. It is important to note that once granted, the license is deemed a grant attached to the land and not to an individual. A certificate of registration must be filed annually with the office of the Town Clerk by the owner/occupant of the licensed land.
