

# Map 19: Water Districts

Data provided by MassGIS, MassDOT, The Northern Middlesex Council of Governments, the Town of Chelmsford and the Chelmsford Water District. Please note that overlap of the service areas of the East Chelmsford Water District and the Chelmsford Water District is caused by the need to maintain higher water pressures than East Chelmsford can produce.

The data depicted by this map is for planning purposes only. The data is not of sufficient detail to allow either boundary determination or regulatory interpretation.
