We hope to enrich the experience of healthy aging. We have 22 staff members (five of whom are paid by the Town General Fund) and volunteers of all ages. Town of Chelmsford Safe Watch Program

The Chelmsford Police Department is committed to the safety of all our residents. We recognize that there are members of our community who may have conditions that cause them to wander, be unsafe, or pose a danger to themselves or others. The Chelmsford Police Department is working to identify those individuals and their caretakers in order to respond to crisis situations in a knowledgeable manner, to ensure the safety of everyone involved. Whether the person wanders, becomes separated from a caretaker, or poses a danger, the Chelmsford Police Department is committed to using the proper techniques to ensure a positive outcome. Family members, caretakers, and friends are encouraged to make use of this program by completing the form, which is available in the LOBBY of the Chelmsford Police Department and on the Chelmsford Police Website. Contact the Chelmsford Police Department for general questions or concerns at **978-256-2521**. This is a free, voluntary and confidential program that is designed to better equip emergency personnel when responding to a crisis situation. The information is not for general release.
