

Calling All Friends!

It's time to renew your membership as a Friend of the Senior Center!!

All contributions received in May and June will be credited to the next fiscal year.

The Friends of the Senior Center, Inc., which is 100% staffed by volunteers, received its charter in January 1980. Its purpose was to raise funds to furnish and support a senior center in the Town of Chelmsford. The Town of Chelmsford was successfully petitioned to construct a building named the Chelmsford Senior Center. The Friends raised funds for nine years and, upon completion of the building in 1989, fulfilled its promise to furnish it.

The Friends continue to support the Center in a number of ways, including: printing and mailing the monthly *Messenger* newsletter; support the Senior Center staff; fund janitorial services; provide supplemental financial support to the Center as needed; and sponsor special monthly themed events such as International Women's Day, Father's Day, Mother's Day and the annual Chelmsford Winterfest. The Friends hold many fundraisers, which include 50/50 raffles before Bingo each week, as well as at the monthly dance. The Friends also manage the Treasure Shop. ***We need your help to staff these events! We also need new members, new ideas, and new energy!***

The Friends need your financial support to assist the Senior Center in carrying out its mission.

Please consider making a tax-deductible contribution as a voluntary contribution or a memorial in honor of a friend or loved one. In making this gift you will be aiding the Friends in fulfilling their mission to help support The Chelmsford Senior Center. Families of those honored will be notified of your contribution.

Please make checks payable to Friends of the Senior Center, Inc.

I am enclosing \$ _____
