

NOTES: Chelmsford Tree Inventory Guide

DATE: February 27, 2019

BY: Chelmsford TREE Committee

This Tree inventory is a work in progress.

Part One is a Spreadsheet containing the following information:

Front page

- Column A & B For temporary use to construct the inventory.
- Column C **NO.** Tree Inventory Number A unique number is assigned to each tree.
- Column D **#** the street lot number. (Not used in all listings.)
- Column E **Street/Property** The street or property name.
- Column F **Tree Species** lists the plants common name.
- Column G **DBH** {is the measurement of} the trees diameter, in inches, measured about 4 ½ feet above ground level.
- Column H **Cond.** Description of the trees observable physiological condition.
1 = Good, 2 = Fair, 3 = Poor, 4 = Dead, 4 = Removed, 4 = Removed Alive
[NOTE: Trees are NOT evaluated for their Hazard Potential]
- Column I **Notes** occasional comments about the tree.
- Column J **Height** the height of the tree in feet. (Not used in all listings.)
- Column K **Spread** the width of the tree canopy in feet. (Not used in all listings.)
- Column L **Lat.** Latitude given in degrees and minutes.
- Column M **Long.** Longitude given in degrees and minutes.
(Latitude & Longitude were derived primarily from Google Earth)
- Column N **Map** number on which the individual tree is located.

Back page

- Column C **No.** The Tree Inventory Number. The same as Front Page.
- Column O **Date** that the tree was inventoried.
- Column P **By** the initials of the folks who inventoried that tree.
- Column Q **Site.** Describes the location of the tree.

Site	Description
A	Both public & private, located near the public right of way on a Scenic Highway
B	Located on public property with a building
C	Within a cemetery
E	On school property
I	On a traffic Island surrounded by 3 or more streets
L	On library property
P	In public parks
S	Within the presumed public right of way of a street
W	Wood lot trees are naturally planted in situations where trees are clumped together
X	Public Trees located on private property

- Column R **Pub.** The tree assumed to be publicly owned (Y/N)
- Column S **Hist.** the tree is in the Chelmsford Historic District (Y/N)
- Column T **Girdling** roots are present.
- Column U **Construction** damage visible (Y/N)
- Column V **Mower** damage (**Mower**, String Trimer, Both)
- Column W Mulch **Volcano** with the mulch piled up against the tree trunk (Y/N)
- Column X **Planted** too deep or too high (D/H)
- Column Y A sun requiring tree planted in **Shade**
- Column Z Root **Space** is inadequate (Y/N)
- Column AA **Wires** are overhead (Y/N)
- Column AB **Year** tree planted/or removed (If known)
- Column AC Planted **By** (**DPW**, Contractor, **Other**)
- Column AD **Other** problems
- DA** Dogwood Anthracnose
 - DED** Dutch Elm Disease
 - BB** Bronze Birch Borer
 - Borers** Unspecified type of Borers
 - EAB** Emerald Ash Borer
 - GM** Gypsy Moth
 - HWA** Hemlock Woolly Adelgid
 - PBA** Pine Bark Aphid
 - WM** Winter Moth
- Column AE Appraised **Value** of the trees is based on the *Guide for Plant Appraisal, (9th ed.)*, by The Council of Tree & Landscape Appraisers.

Part Two A series of maps with an index that show the location of the individual trees identified by inventory number in relation to other trees and their physical surroundings on the property.

Part Three A series of photographs are available, but not on line, of the individual trees organized by Inventory Number.

e.g. CTN1300518.a Chelmsford Tree Number, 2013 Series, 00518 tree number.

{The last 5 digits are the trees inventory number. Lower case letter designates additional views of the tree.}

Any questions or comments, favorable or otherwise, please contact the Chelmsford TREE Committee or Jim Martin at E-mail Jimtrees@aol.com or Cell Phone (781) 572-7924

**Thanks to the following people who by their effort/work are
making this inventory a reality.**

**Nicole Geda - Cathy Jewell - Andy Silinsh - Pam Landi - Dot Boisvert
Ginny Marshall - Bill Askenburg - Barry Jefferson - Brian Zuzelo - Jim Martin**
